Allowable Subject Matter

1. The Examiner acknowledges Applicant's submission of the amendment filed on 11/04/04.

2. The allowed claims are 1 and 3.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest the recitations of the specific features of the support bandage, of claim 1, including especially the following: The primary reason for the allowance of independent claim 1, is the inclusion of the small fraction having a first top side and a first bottom side between the incurved first longitudinal sides, and a crescent upper opening curved upwards and a crescent lower opening curved downwards, each opening having a middle portion wider than two end portions, and the large fraction having a second top side and second bottom side between the incurved second longitudinal sides.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
